

What is Twitter?

Twitter is a popular, free, social networking and micro-blogging service that allows users to send and read short (140 characters in length) updates that are also known as "tweets." When the City of Del Rio sends out a "tweet," those who choose to follow the City will receive the headline of the story or event.

How is the City of Del Rio using Twitter?

The City of Del Rio has created a Twitter account to alert "followers" about breaking news, announcements, events, road closures and programs sponsored by the City.

How do I follow the City of Del Rio?

To follow the City of Del Rio on Twitter, a person must first have their own Twitter account. Then, visit <http://www.Twitter.com/TheCityofDelRio> and click the "follow" button. Users can then set their preferences to receive alerts via Twitter's Web site, a cell phone, e-mail or even RSS feeds.
